Tired of Casting Votes for “Idols” on Reality TV?

Why not vote for some real-life superstars.

Our nurses may not sing like an idol but they provide exceptional care that deserves real recognition. That’s where we need your help – in identifying one remarkable caregiver. If you or a family member have come to us for inpatient, outpatient or emergency care in the last year and have a nurse you’d like to thank for going the extra mile, let us know about your experience.

Nominate your favorite nurse for the 2019 Patient Choice Award.

All you have to do is fill out the nomination form below by April 30. We’ll be announcing the winner in conjunction with National Nurse’s Day, May 6th.

After filling out the form below completely, drop it in one of the many entry boxes throughout the hospital, or fax/email to the contact information below.

Your Name: _____________________________________________________________________________

Address: _________________________________________________________________________________ Phone # ___________________________

Nurse’s Name: ____________________________________________________________________________

Reason for this Nomination: __________________________________________________________________________________________________________________
